Tarot Card for 2020*

4 of Rainbows, The Miser

The woman has created a fortress around herself.

She is clinging to all the possessions she thinks are her treasures.

She collected so many things to adorn herself that she made herself ugly.

This card challenges us to look at what we are clinging to.

- What do you hide behind to keep from sharing your gifts with the world.

Transition to July 10 of Fire – Suppression

You've attempted to meet so many demands and expectations that you are all tied up in knots.

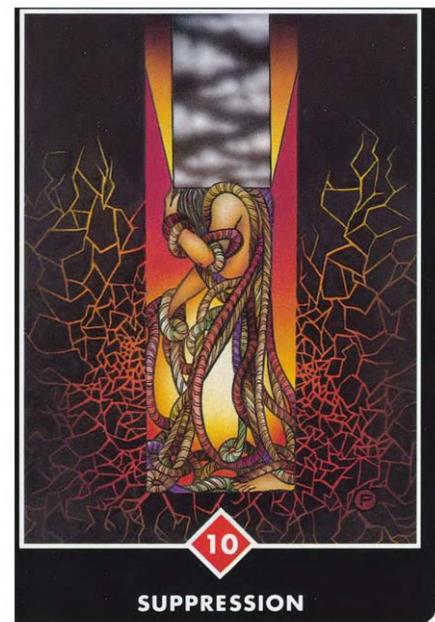

Do not give up your power and vision for the sake of being accepted by others.

Engage in healthy self-care.

Engage in healthy releases of the tension and stress that builds from dealing with others.

Release the stresses and re-engage in the life that you are avoiding and leaving behind.

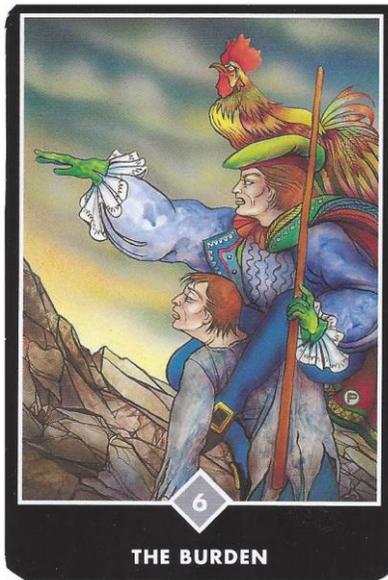

It is time to live

Wisdom of the Tarot* presented by Solarzar

July – September 2020

Six of Clouds – The Burden

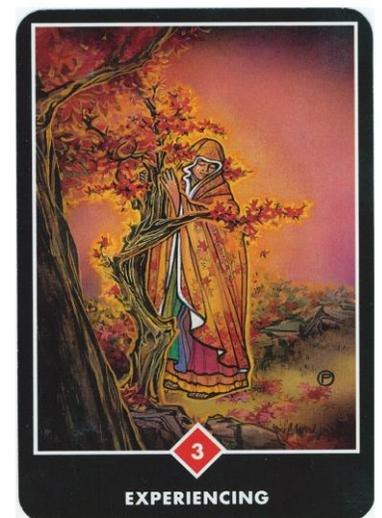

When we carry the shoulds & coulds imposed on us by others we become like the ragged, struggling figure trying to make his way uphill while carrying the popinjay & the rooster. It's time to shrug your shoulders and drop them. You cannot pursue your dream while carrying other people's burdern that you believe are your own. Beware of the lies ideals, goals, ideolo- gies, religions and all forms of dogma hiding as truth. Striving after truth only brings the distrctations of lies. Look inside yourself and the truth is there.

Transition to October

Three of Fire

'Experiencing' is the feeling of wonder itself, the thrill of commu- nion, the gentle touch of connection. The woman in the picture is in communication with the tree. The tree is old, it has seen many hard times but the woman's touch is gentle and her heart is pure. When we approach nature with the purity reflected by the white in the woman's cloak, nature responds. Have you heard nature whispering? It is time to embrace nature. Don't just observe it without communion. Instead of seeking god in religion, or dogma, or intellect, or science, or perceived truth, find God within and use your God to connect to the God of nature through nature.

July 2020

Transformative ACTION

July starts the manifesting cycle of 2020. It is a powerful call to **action**. It provides an opportunity for expansion of awakening through transformation of reality manifesting heaven on earth. Embrace change as your pathway to freedom and expansion of consciousness. **OPEN** to **new** experiences, embrace spontaneity, expand your perspective, **learn** something **new**, grow as a person, and embrace the freedom that comes from taking practical consistent action each day in the direction of your desire. Let the winds of change rush through you and transform any belief that you are anything but a beautiful realization of your soul. Let the waters of change flow through you nourishing you with the elixir of life.

July combined with 2020 asks us to make the changes in our life to awaken and **THRIVE**. Liberate yourself from anything old that no longer fits who you are and who you are becoming. June and July bring 61 days of Heaven on Earth each year representing the divine union of creation and manifestation. This vibration links with December. From the fruit of our harvest come the seeds of our next year's crop. July begins the creative crafting of 2021 (a 5 year). August 2020

Transforming Self Love

August invites us to co-create a world based on a foundation of self-love. This invitation starts with the relationship with ourselves. In 2020 we get the power of transformation to help us transform any false beliefs of inadequacy and patterns of poverty consciousness to allow prosperous abundance to flow in our lives. The transformative tests we are all experiencing this year give us an opportunity to shed self-doubt and fear that have held us back from truly shining our light. We emerge with new confidence and spiritual sovereignty.

Lack of self-love comes from the illusion that we are separate from the divine source and consequently are somehow unworthy, flawed, or unlovable. We then punish ourselves or draw others to us to punish us – setting up the victim/villain pattern. This month we remember our divinity, our power source, and that we are LOVE. It is time to reunite with our soul, our spirit and the divine. It is time to accept our power as beings of light and love. Open our hands and hearts to receive the blessings of abundance that our soul is just waiting to shower upon us. It is time to step into the infinite flow of grace through our dance with the architect of creation.

September 2020

Limitless Transformation

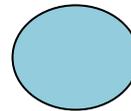

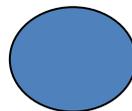

September brings an alchemical passage of limitless transformation of all our seeds. It is the month of sacred devotion to the Goddess so connect with Gaia. Know that you are so loved by the Divine Mother. Align with the power of limitless potential and possibilities to manifest miracles. Align your manifestations with the highest level of self-love that you anchored in August to elevate the abundance of your harvest. This is your month to transform into the butterfly. Literally as physical changes occur at the DNA/RNA level many are becoming beings of Illumination. May our hearts be beacons of love. May our minds sing in harmony with each body. May our spirits uplift every thought and emotion. May we now bring more of our light into form.

September combined with the energy of 2020 provides a bridge between heaven and earth.

Each moment is a choice: reinforce the old OR choose a new way. In each choice we form our new reality. The process of transformation can happen in an instant or over a span of time. Does the chrysalis know how long it takes to become the butterfly? If you are an “ARE WE THERE YET?” person, the universe asks for patience and trust in the process. Relax into the void and allow. The transition from limitation to limitlessness IS happening. Feedback in the form of manifestation is occurring faster. Our focus is to clean up your thoughts, emotions, and actions that you provide the best examples of limitlessness.

The spiral dance of creation calls us now

To unite in union in one breath

To express our individual beauty in the next

In a kaleidoscope of color, shape, and movement

*Light as Color
Truth as Shape
And Love as Movement*

Expanding the edge of consciousness

*We remember -
We are one and the all*

And suddenly we realize the keys we thought were lost were in our hands the whole time.

Gaia holds the templates of the New World consciousness. As more and more of you align with her frequency, it’s activated into being.”

Buddhist Forgiveness Prayer

"If I have harmed anyone in any way either knowingly or unknowingly through my own confusions, I ask their forgiveness.

"If anyone has harmed me in any way either knowingly or unknowingly through their own confusions, I forgive them.

"And if there is a situation I am not yet ready to forgive, I forgive myself for that.

"For all the ways that I harm myself, negate, doubt, belittle myself, judge or be unkind to myself through my own confusions, I forgive myself."

Anonymous Poem from Empower Astrology

"In the midst of hate, I found there was, within me, an invincible love.

"In the midst of tears, I found there was, within me, an invincible smile.

"In the midst of chaos, I found there was, within me, an invincible calm.

"I realize through it all, that...

"In the midst of winter, I found there was, within me, an invincible summer.

"No matter how hard the world pushes against me, within me, there's something stronger – something better, pushing right back.

"Whatever I give, I do so from my heart."

Daily Practice of Gratitude:

*"Thank you for everything.
I have no complaints whatsoever."*

(shared by Kwan Yin channeled by Rev. Charlotte Tinker)

Express yourself from love in all encounters:

"I live and practice loving kindness in all situations."

Accept yourself fully:

"I accept and Love myself unconditionally."

Open yourself to love:

"I surrender all to Love."

Express and heal your self-love by doing Ho'Oponopono:

"I Love You; I'm Sorry; Please Forgive Me; Thank You".

I am independent of the good and bad opinions of others.

I am beneath no one.

I am fearless in the face of any and all challenges.

You are not the victim, you have a choice.

Memories, Maroon5

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

There's a time that I remember, when I did not know no pain
When I believed in forever, and everything would stay the same
Now my heart feel like December when somebody say your name
'Cause I can't reach out to call you, but I know I will one day, yeah

Everybody hurts sometimes
Everybody hurts someday, ayy ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

Doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo
Memories bring back, memories bring back you

There's a time that I remember when I never felt so lost
When I felt all of the hatred was too powerful to stop (ooh, yeah)
Now my heart feel like an ember and it's lighting up the dark
I'll carry these torches for ya that you know I'll never drop, yeah

Everybody hurts sometimes
Everybody hurts someday, ayy ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to the ones that we got (oh)
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through (no, no)
Toast to the ones here today (ayy)
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories (ayy)
And the memories bring back, memories bring back you

Doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo
Memories bring back, memories bring back you
Doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo doo
Doo doo doo doo, doo doo doo (ooh, yeah)
Memories bring back, memories bring back you

Yeah, yeah, yeah
